Paper under Disposal No I

In continuation of my note No.1589 dated 15th August 1913 regarding the Royal Commission on the Public Services in India, I submit herewith a further reference from the Residency intimating that the dates between which the Commission will hold its enquiry in Madras will be approximately the 2nd and 17th February 1914.

Paper under Disposal - No II

2. Mr. Reddy has informed the Joint Secretaries of the Royal Commission his inability to attend, between the dates mentioned, as he will not return to India before March 1914.

3. At the same time, I find it inconvenient also to attend the meeting owing to the heavy administrative work and other pressing engagements which demand my attention here.

4. I propose therefore addressing the Residency to exclude both Mr. Reddy and myself from the list of persons required to give evidence before the Commission, and I solicit His Highness's permission to do so.

5. I submit the draft of a letter to the Residency for approval.

Letter dated 29th September 1913 from Mr. C.R. Reddy, London, to the Joint Secretary of the Royal Commission on the Public Services in India.

I have the honour to inform you that your communications dated 4th July and 1st August 1913 reached me only this afternoon.

I beg to tender my sincere thanks to the Royal Commission on the Public Services in India for the honour they have done me in inviting me to give evidence.

Unfortunately for the proper discharge of this duty, it so happens that I am due to sail to Canada and the Far East on the 4th October. At this late and busy hour, when I have barely four days within which to complete my preparations for the tour, I can't do more than submit a very general statement.

I regret also that it is not possible for me to appear as a witness before the Royal Commission between the dates mentioned, as, according to present arrangements, I shall not be back in India before the beginning of March 1914.
